JOHN GABBERT GALLERY

The RCBA is accepting donations of photographs or artistic renderings to be hung in the John Gabbert Gallery (formerly Third Floor Conference Room of the RCBA Building).

The images must be of courthouses in Riverside County, whether existing or former, state or federal, trial or appellate. The images may be either of the exterior of the courthouse or of some distinctive feature of the interior of the courthouse.

The image should be approximately 16 inches by 20 inches.

Artistic renderings may be in any medium suitable for framing and display on a wall. Photographs may be in color or in black-and-white.

The donor is asked to provide the image together with \$250 to cover the cost of professionally framing and matting the image. The images should not be matted or framed at the time of donation. Instead, the RCBA will have the image matted and framed in a style consistent with those images already hung in the Gallery.

Each image hung in the Gallery will be accompanied by a small plaque, identifying the donor, the subject of the image, and if known, the photographer or other artist and the date of the image. If the gift is made as a memorial or other commemoration, that information will also be included.

***** Return This Portion with Donated Image to RCBA *****

Please provide the following in the space below: (a) the courthouse by name, (b) the years the courthouse was used, (c) the artist/photographer and the year of the image, and (d) the donor.

Example:

Original Riverside County Courthouse
1903 - present
Photographer: Michael J. Elderman, 2001
Donated by Hon. Craig G. Riemer, President 2000
